

## My Story

Hello, my name is Boonmee Pakviset McElroy and I am a Professional International Life Coach, as well as Inspirational / Motivational speaker. I want to share my desire to empower people to promote happiness, confidence and to learn to live life with a purpose. I practiced as a Life Coach in Thailand, Japan, Singapore, and USA with five (5) plus years of coaching experience. I believe in a positive and growth mindset. I am a product of both. My lifelong passion for helping and empowering people to reach their true happiness has been both a personal and professional goal of mine. I believe that everyone is capable of reaching their goals if they uncover their "Blindspots".

I have experienced many hardships since a very young age. I grew up in a small village in Thailand, with no access to higher education. I was forced to live on my own at the age of 12. I knew what it was like to truly be on my own and try to make it through life. I was once lived an extreme poverty, homeless, and having to sense of direction. After I attended a transformational life coaching program back in 2004, I knew then that anything is possible. This experience caused me to have great compassion and to have the desire to live life to the fullest. I am here to support you to reach your true potential and goals that you aspire.
